Perfume

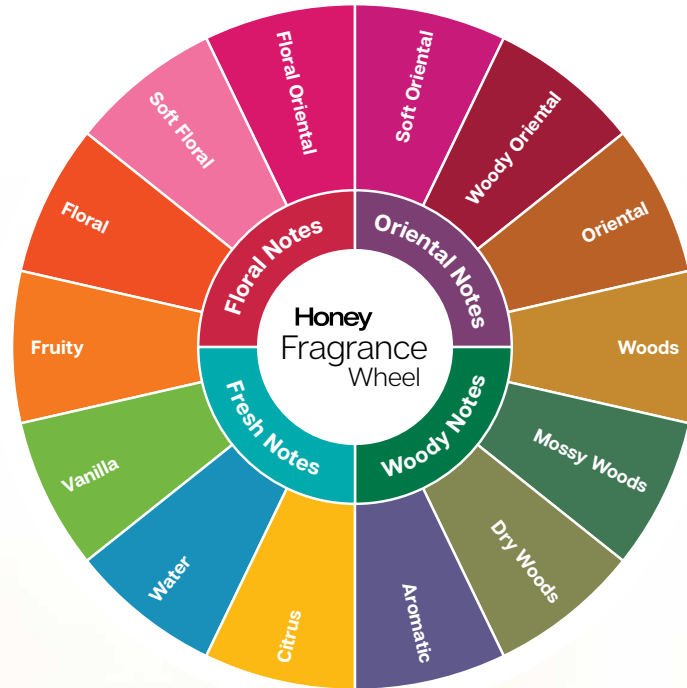

Noun

A fragrant liquid made from essential oils extracted from flowers and spices, used to give a pleasant scent to one's body.

Synonyms

- Fragrance
- Eau de parfum (EdP)

Honey EdP's may last for 8 hours or more. Eighteen beautiful fragrances for men and women.

Eau de Parfum

All our fragrances are classified as Eau de Parfum (EdP).

EdP fragrances contain a concentrate of pure essential oils (perfume) of 20% and above. (Eau de Toilette concentrate is generally between 8% and 15%.)

All Honey Eau de Parfums contain above 20% concentrate of pure essential oils.

Honey COLLAGEN with VERISOL™

has been specially optimized for beauty applications

WRINKLES

Administered orally, HONEY'S VERISOL™ influences the skin's collagen metabolism directly from the inside. It increases the skin moisture and helps delay the formation of wrinkles, assisting with noticeable firmer and smoother skin.

FINGERNAILS

The Bioactive Collagen Peptides in VERISOL™ can help to improve growth and health of fingernails with reportedly less chipping of fingernails.

HIGHER SKIN ELASTICITY

Consumption of VERISOL™ assists with significantly higher skin elasticity.

CELLULITE

HONEY'S VERISOL™ supplementation has beneficial effects on the dermal extracellular matrix of the skin and can help to decrease cellulite.

HAIR THICKNESS

Daily consumption of VERISOL™ helps promote an increase in hair thickness.

VERISOL™ Collagen Powder is easy to take and can readily become part of your daily routine. VERISOL™ Collagen Powder can be added to your coffee/tea, favourite non-carbonated drink, yoghurt, smoothie or bowl of oats.

The powder is unflavoured, so it can be mixed without affecting taste or texture.

Ingredient: VERISOL™ Hydrolyzed Collagen

SNOOZE & LOSE

60 CAPSULES

Snooze & Lose is an unregistered medicine (D.33.7 Combination Product, Complimentary Medicine: Discipline-specific medicine.) and has not been evaluated by the SAPHRA for its quality, safety or intended use. Do not exceed the recommended intake. Consult with your medical practitioner before use.

Honey's Snooze & Lose contains a unique combination of ingredients in the field of natural sleep support.

81701

Night time metabolism support capsules. Contains a unique combination of ingredients in the field of natural sleep support. This bespoke formulation acts as a 4 in 1 – assists in fat burning, appetite support, accelerated metabolism boosting and sleep promotion.

60 capsules.

1645MT

This bespoke formulation acts as a

4 in 1

- Assists in fat burning,
- Appetite support,
- Accelerated metabolism boosting, and
- Sleep promotion.

Each 2-capsule serving contains:

Elke 2-kapsule bediening bevat:

Ashwagandha Root (Withania somnifera) (15:1 root extract/wortelekstrak)	250 mg
Gamma-aminobutyric acid/ Gamma-aminobutiraat (GABA)	200 mg
L-Theanine	60 mg
Valerian (4:1 root extract/wortelekstrak)	80 mg

L-Thyamine and GABA

GABA/l-theanine mixture has a positive synergistic effect on sleep quality and duration as compared to the GABA or l-theanine alone. The increase in GABA receptor and GluN1 expression is attributed to the potential neuromodulatory properties of GABA/l-theanine combination, which seems to affect sleep behaviour

<https://pubmed.ncbi.nlm.nih.gov/30707852/>

Valerian

Valerian (Valeriana officinalis) is an herb native to Europe and parts of Asia. Valerian root has a long history of use as a sedative.

People commonly use valerian for sleep disorders, especially insomnia. Valerian is also used for anxiety, stress, and many other conditions.

<https://www.mayoclinic.org/diseases-conditions/insomnia/expert-answers/valerian/faq-20057875>

What does each ingredient do?

Ashwagandha Root

Ashwagandha is an evergreen shrub that grows in Asia and Africa.

Since ashwagandha is traditionally used as an adaptogen, it is used for many conditions related to stress. Adaptogens are believed to help the body resist physical and mental stress. Some of the conditions it is used for include insomnia, aging, anxiety and many others.

Gamma-aminobutyric acid

What is gamma-aminobutyric acid (GABA)?

GABA, also known as gamma-aminobutyric acid, is a natural chemical produced by the brain.

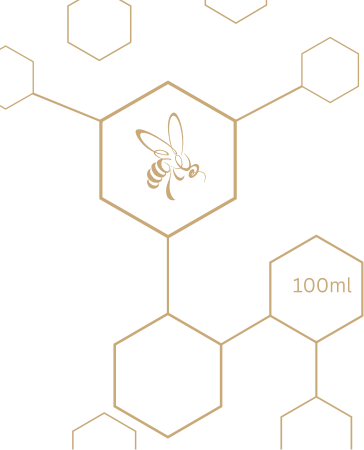

GABA is a neurotransmitter, a chemical messenger in your brain. It slows down your brain by blocking specific signals in your central nervous system (your brain and spinal cord).

Known for producing a calming effect, it is thought to play a major role in controlling nerve cell hyperactivity associated with anxiety, stress and fear.

By slowing certain brain functions, GABA is thought to be able to: • Reduce stress • Relieve anxiety • Improve sleep

L-Theanine

What is L-theanine? L-theanine is an amino acid that is found in tea leaves. With its ability to increase relaxation and lower stress, L-theanine can help with sleep in a number of ways. L-theanine may help people fall asleep more quickly and easily at bedtime, thanks to the relaxation boost it delivers. Research also shows L-theanine can improve the quality of sleep—not by acting as a sedative, but by lowering anxiety and promoting relaxation.

Honey

FOOT CREAM

Coconut-Lime

Urea, shea butter,
sweet almond oil,
sunflower seeds

MADE IN SOUTH AFRICA

Honey Foot Cream has been specifically formulated to deal with feet issues associated with the harsh South African climate.

The high urea content in this product assists the skin to eliminate dead skin cells. It also has anti-itch and anti-microbial properties, making the feet smooth again with regular use.

Shea Butter locks in moisture, while sunflower seed oil and lanolin protect and lubricate the skin.

INGREDIENTS:

Aqua (Water), Cetearyl alcohol, Urea, Petrolatum, Sorbitol, Helianthus Annuus (Sunflower) Seed Oil, Butyrospermum Parkii (Shea Butter), Prunus Amygdalus Dulcis (Sweet Almond) Oil, Cetareth-20, Lanolin, Phenoxyethanol, Ethylhexyl glycerin, Tocopherol, Parfum (Fragrance), Disodium EDTA, Benzyl Salicylate, Citronellol, Hexyl Cinnamal, Linalool.

DIRECTIONS:

After cleansing apply a small amount daily to the affected area and gently rub in. Apply up to 3 times daily.

A certificate of composition is available upon request. Contact Caitlin on caitlinw@honeyacc.co.za for a copy of the certificate.

81679

Honey foot cream. Coconut-lime fragrance. Shea, sunflower seeds and lanolin.

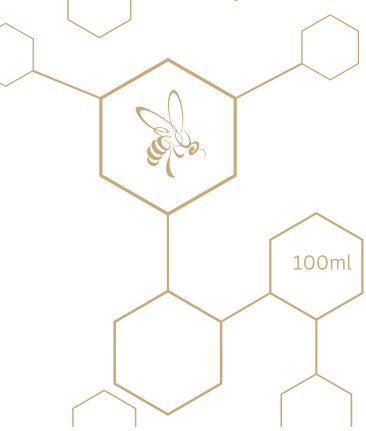

100ml.

WHY Honey CONNECT?

Best nationwide connectivity, ensuring that you can stay connected wherever you are in the country.

Best Rates on Non-Expiring Data & Airtime: This means that you don't have to worry about your data or airtime expiring.

Get 10% extra data on all in-App purchases.

World-Class Service: Honey Connect is committed to providing world-class service to its Customers. You can expect excellent Customer support and assistance whenever you need it.

Easy to Switch: If you're currently with another mobile network, switching to Honey Connect is a breeze. You can easily port your existing number via WhatsApp and start enjoying the benefits of Honey Connect without any hassle. Or you can get a brand-new Honey Connect number.

No Hidden Fees: With Honey Connect, you won't have to worry about hidden fees or surprises. The pricing is transparent, and you'll only pay for what you use.

Honey CARE & GUARANTEE

Honey Fashion Accessories believes in allergy-safe products, thus ensuring the well-being of sensitive skin. Honey jewellery is expertly electro-plated with precious metals to ensure we can provide you with an enduring high-quality product. All plating and base metals are nickel free and in most cases lead-free and cadmium free. You should not expect to wear our products the same as you would fine jewellery.

Pierced earrings come with a clutch stabiliser for comfort and security. Clip earrings feature comfortable clips. • Neckware and bracelet lengths as stated in this catalogue include the clasp in the measurements, and may vary slightly between 0,5 and 1cm. Most of our neckware includes an extender – additional extenders may be available to purchase. • Honey handbags can be cleaned with a soft damp cloth and dried immediately. Detergents should not be used. Honey handbags come with a protective dust cover for storage between use.

OUR QUALITY GUARANTEE:

We believe so emphatically in our product that we accept full responsibility for it. We endeavour to maintain the highest quality of every Honey product by using a special Honey Quality Audit System. Where a product is identified as having a manufacturing default, we will gladly exchange or replace your purchase, provided the product has not been damaged as a result of excessive wear, impact, negligence, tampering or non-adherence to cleaning and care instructions.

Exchanges or replacements shall be at the discretion of Honey's Quality Audit practitioners. Please return the item for exchange or replacement, with proof of purchase and original packaging to our distributors within 28 days of purchase.

If you wish, you may increase, reduce or change your order, provided it is done within 7 days from the date on which the order was placed.

PLEASE NOTE: Honey cannot be held responsible for the acidity of your skin.

This promotion runs while stocks last.

Collection Launches: 12 May 2025

Prices in this collection are valid for the duration of this promotion only.

Products featured in this collection, in some instances, may not be life-size.

All Honey handbags and shoes are made from quality PU (polyurethane) leather. PU is recyclable. PU leather is a split leather, that has been overlaid with a polyurethane (PU) coating and is generally more durable than other material.
